SUPPLEMENTAL CERTIFICATION OF MICHAEL SHULTZ

1. My title is Vice President of Regulatory for Consolidated Communications, Inc., which owns Consolidated of Northern New England, Inc., for which I also am Vice President of Regulatory. Consolidated of Northern New England, Inc. owns the applicant, Enhanced Communications of Northern New England, Inc. d/b/a Consolidated Long Distance, and therefore my duties include regulatory compliance for Consolidated Long Distance.
2. Consolidated Long Distance has been providing interconnected VoIP service in Maine, New Hampshire and Vermont for 4 years. These services currently are offered using a numbering partner. If this petition is granted Consolidated will continue offering the services it offers today without the need for a numbering partner.
3. Other states in which Consolidated Communications, Inc. subsidiaries are providing interconnected VoIP service are: California, Iowa, Illinois, Kansas, Minnesota, Missouri, North Dakota, Pennsylvania, South Dakota, Texas and Wisconsin.
4. If the application is granted, Consolidated Long Distance will continue to provide interconnected VoIP service the same way it does today: using the facilities owned by its local exchange ("LEC") affiliates (other subsidiaries of Consolidated Communications, Inc.) and entering into an interconnection agreement in any area where Consolidated

Long Distance does not have an affiliate whose facilities it can use to provision interconnected VoIP service. Consolidated Long Distance has such an interconnection agreement, for example, with TDS in New Hampshire (for portions of the state where the LEC is not a Consolidated Long Distance affiliate).

The foregoing is true and complete to the best of my information, knowledge and belief, including information provided to me by persons employed by Consolidated Communications, Inc. and its subsidiaries who have knowledge of its operations.

Executed this 27th day of August 2018
